

**RESOLUTION**

**WHEREAS**, increases in property taxes costs is an important concern of all South Carolinians; and

**WHEREAS**, obtaining property tax relief requires substantial study and analysis; and

**WHEREAS**, the South Carolina Association of Counties and the Legislature are particularly well suited to identify and analyze the alternative means by which property tax relief may be achieved.

**NOW, THEREFORE**, County Council of Beaufort County hereby **RESOLVES** to encourage the South Carolina Association of Counties and the Legislature explore all opportunities for property tax relief including, but not limited, to the ability to conduct annual reassessments, point of sale valuations, and the consideration of circuit breakers on property valuations.

Adopted this 24<sup>th</sup> day of July, 2006.
