Beaufort County, in conjunction with the City of Beaufort and the Town of Port Royal, is hosting a meeting on Wednesday, October 10, when the draft Lady's Island Area Plan will be presented. All residents and property owners on Lady's Island are encouraged to attend and offer comments.

The presenters will share the results of a multi-jurisdictional planning effort to create a comprehensive and unified vision for Lady's Island. The draft plan addresses managing growth, creating a walkable village center, strengthening neighborhoods, managing traffic congestion, improving bicycle and pedestrian facilities and providing transparency in future decision-making.
